From The Executive Engineer 29
Kolar Division

To
The ~~Chief~~ Muzgroy Secretary to the Dewan of Mysore.

Dated Kolar 13th July/1892
Despatched 14-7-92
Received

Enclosures No. one plan

General No. 491

In forwarding the enclosed design for Latrine proposed to be constructed for the Government Chattram on Thirupathi Hill, has the honor to request that the Muzgroy Secretary will be good enough to state whether the floors require to be made water tight - If so the pits including floors will have to be lined with masonry -

2/ In other respects the design has been approved of by the Chief Engineer -

Executive Engineer
Kolar Division

Head Clerk
AS

If scavengers could be are to be had to clean daily which should be ascertained by local enquiry the floors & pits must be made watertight - If difficulty anticipated in procuring scavengers then no masonry or even slabs to be used for the floors & pits. The Peepal tree the leaves of which drop into the larger area as well as the smaller one in the chattram enclosure & the branches of which overhang the roof caused considerable damage to the same may also be removed

General No. 454

No. 3940

His No 491 of the 13th Inst requesting to be informed whether the floors of the latrine proposed to be constructed for the Govt Anna Chattram on the Tirupati Hill require to be made water tight.

With reference to the above has the honor to state that if scavengers could be had to clean the latrine daily, ~~which~~ ~~should~~ which can only be ascertained by total enquiry, the floors and pits should be

From the Sanc[illegible] 1349 22/2/93

be made. water
and that of diffe
anticipated in p ur
scavengers, no masonry
~~or even slabs,~~ need
be used for the floors
and pits.

2. As the leaves of the
~~Peepal~~ Peepal tree drop into
the large as well as the
small well in the
Chattram enclosure
and as the branches
thereof overhang the
roof of the Chattram causing consider-
able damage to the
same, the tree may
~~also~~ be removed.

3. The plan is returned
herewith.

General No. 134
No.

His no. 454/40 of 27th July 1892 para (2), deciding to have removed a Peepal tree in the Compound of the Chattram on the Thirupatti Hill.

Has the honor to state that the Sub Overseer in charge of the Works reports that the labour on the Hill flatly decline to remove the tree on account of the sacredness attached to the same in popular estimation, and that the Work is of a nature that could only be carried out by people having some local influence, and to request the Superintendent will

Sent 29/4/93
dr/

On receipt of your No 134 of 23rd Feb/93 regarding the removal of the Aswatha trees overhanging the Chatram walls in Tripaty, I wrote to the Hd Peshkar to have the trees removed himself – But he reports ~~that~~ the work requires professional skill and shd. be done under the Supt. of the Engineering Dept. as otherwise it wd. be attended with danger to ~~the~~ Chatram building ~~[illegible]~~. He is however prepared to supply the requisite No: of Coolies ~~supply Sevaree Coolies~~ for the purpose. You will therefore kindly issue instructions ~~to~~ the Sub-Overseer in ~~the~~ charge of the Chatram work ~~to~~. have the trees removed without danger to the Chatram building. Orders will be issued to the Hd Peshkar requiring him to help ~~the~~ Sub-Overseer with the ~~required number~~ necessary Cis.

There are a lot of A

Cutlery
Materials lying in the Chattram —
~~I dont want to entrust~~
Can't you undertake to dispose
of them by an auction sale — ~~I dont want to entrust [illegible] to a third party~~
~~I shall write to you~~
~~officially on receipt of your~~
~~reply.~~
